 I am free anytime today after 11:30am. I will try to rope in Loren Henning or Dana Barton as well. Let me know what time and what phone numbers I should call and we can do a 3-way conf call.

Yes, we do need to talk. I'm concerned about the position you're putting us in.

Yes.

FYI, I just sent Susan Callery an email requesting that her and I have 15-30 minute call tomorrow. My hope is that EPA and DTSC can get on the same page regarding the role of TASC under DTSC upcoming CI Program at

SSFL so we can give some good answers to the SSFL CAG folks on Wednesday.  
 Want to join Susan and I for the pre-call tomorrow ????

REMINDER: SSFL CAG meeting with EPA regarding TASC technical assistance  
requests 7/28 11am  
Please join us for a meeting with EPA on 7/28 (this Wednesday) at  
11:00am to discuss this communities' multiple TASC technical  
assistance requests denied by EPA. We look forward to a productive  
discussion about the needs and questions that the surrounding  
communities have.  
I'll be sending out conference call access links and call-in #s  
shortly under separate cover.

Thanks,  
Christina
